Overview of Phenomenal Women

About Phenomenal Women:

Phenomenal Women is a non-profit 501(c)(3) organization that empowers all women to reach their fullest potential! This is successfully done through various community initiatives and events. We have served as a catalyst for life-changing experiences, and help to push students towards personal and academic success. We operate out of 3 components:

- Community Service – We partner with various shelters in Colorado throughout the year to help the homeless community by providing toiletries, hygiene items, and clothes.
- Women Empowerment – We bring women together to promote the spirit of volunteerism, create an authentic sisterhood, and provide encouraging events.
- Youth Enrichment – We strive to provide educational support for students, motivational workshops, scholarships, life skills as well as new experiences, and meaningful learning activities through our youth program!

Our Youth Workshop Focuses and Approach

The Phenomenal Women Youth Workshops is a consecutive 12-week program extended from our Invest in You Symposium and sessions are held on a bi-weekly basis. Our program is intended for teen girls ages 10-16. Our youth workshops are unique because they are facilitated by entrepreneurs, Miss Colorado Queens, professional speakers, college students, and many more. Staff and volunteers also help spearhead workshop sessions designed to:

Build Confidence

Help girls feel empowered and encouraged by mentors!

Help ladies grow in an inclusive environment

Teach leadership and life skills

Strengthen social skills and encourage positive social interaction

Develop self-care practices

Our primary goal is to successfully give our students the tools and guidance they need to be successful personally and academically. The average graduation rate for minority Colorado students is 75.3%. We plan to help increase that number by serving as academically successful role models who have greater knowledge of their heritage and culture. This has been proven to increase high school graduation rates as well as increase the number of students obtaining higher education.

Get Involved

Please help Phenomenal Women make a difference today! It is our goal to expand our youth program to young men, increase our scholarship opportunities to students across Colorado, and raise funds/collect items from our wishlist. We also aim to increase the production of donations to help serve the homeless community.
